Dear Prospective Exhibitor:

On Saturday, November 2, 2019, Rocky Strong, Inc. will host its 1st Annual Caregiver's Fair at the Galleria Mall in Poughkeepsie. ***Please accept our invitation to partner with us in this meaningful event.***

Rocky Strong, Inc. provides financial assistance to caregivers and their families, in the Dutchess County area, who are facing financial hardship due to the diagnosis of a serious and life-threatening illness of any family member in the home. Although Rocky Strong defines caregivers as legal guardians of a child or children 18 years old or younger living in the household; this event is open to caregivers of any age.

The goal of this event is to connect with local residents to make them aware of the support services/resources available should they find themselves in a caregiving role. We are looking for businesses and services who are in the field of wellness, healthcare, financial/estate planning, mental health, and non-profits who support families when a loved one is ill. **We invite you to share your information/products with the community by reserving a space at our Caregiver's Fair.**

Participants are asked to provide educational materials, informational brochures, and free samples of products if applicable. It is our hope that this Caregiver Fair will provide necessary information to help people take better care of themselves and their loved one while they are in a caregiving role. Please review the enclosed Caregiver's Fair Exhibitor Registration Form and return to us by August 17, 2019 to reserve your space.

We thank you for your consideration to partner with Rocky Strong to help make this a meaningful event. If you have any questions, please contact me at (845)518-2030.

Sincerely,

Jennifer Rock
President
